What did they like

Emma said it was fun to watch and enjoyed how personal the voiceover was, it was really engaging. The cuts of the clips were smooth, and the audio was well polished. The storyline was communicated simply and effectively too.

Takeaways

What did they say you did well? *Do not just say it was good; be specific here.*

The way I communicated in a brief way in the video, the cleanness of the audio and how smooth the clips were.

What are the suggestions given for improvement? *Do not just say it was good with nothing to improve; that's a sign you didn't get a deep enough critique.*

She suggested I increase the volume of the music so it could be balanced. She suggested I make a stroke with my icon so that it could blend well.
