Date/Time:**06/12/2023. 9:49pm**

How you met (in person, Zoom, etc): **Through email.**

How long critique lasted: **5 minutes**

Did you use the Critique Checklist?: **Yes**

What did they like

She liked the colors I used and the font choices because they complement each other. She also likes the shapes, blocks, and lines in making the design.

Takeaways

What did they say you did well? *Do not just say it was good; be specific here.*

She said she likes the colors and the fonts.

What are the suggestions given for improvement? *Do not just say it was good with nothing to improve; that's a sign you didn't get a deep enough critique.*

She suggested I make the text on the cover align with the margin because it looks like it is so close to the edge. She also suggested I make the description on each page more even.
